BALLAY DAHLIA GARDENS

4309 El Camino Real

PALO ALTO, CALIFORNIA, U. S. A.

THIRTY-FIRST ANNUAL CATALOGUE

BALLAY DAHLIA GARDENS

4309 El Camino Real

PALO ALTO, CALIFORNIA

PLEASE NOTE—When ordering please write NAME and ADDRESS plainly, also state date delivery is desired. It is better not to have roots delivered until you are ready to use them. As the stock of some varieties is limited and the demand this year is heavy, it is well to name some second choices. We do not substitute without permission. All shipments prior to April 1st, except on the Pacific Coast, are sent by Express Collect to insure against freezing. We do not sell green plants. Prices listed are for strong field-grown root divisions. Where air mail delivery is requested, unless remittance includes the extra charge for this service, request will not be complied with.

TERMS—CASH WITH ORDER or before date of shipment. On retail orders for California delivery 3% Sales Tax should be added to the amount to comply with the Sales Tax Law. We guarantee that all roots sent are true to name and in good growing condition, but beyond this assume no responsibility. All orders are accepted with this provision.

EXPLANATION OF TYPES —

Informal Decorative (I.D.). Double flowers, full to the center, usually long irregular petals.

Formal Decorative (F.D.). Double flowers, full to the center, usually with broad flat petals.

Cactus (C.). Double flowers, full to the center, with long, narrow, pointed petals, incurved, recurved or straight, and rolled at least half their length.

Semi-Cactus (S.C.). Double flowers, full to the center, with coarse, twisted petals, usually somewhat incurved, and rolled ordinarily less than half their length.

OUR NEW INTRODUCTION FOR 1952

(Illustrated on front cover)

DEE CEE—Informal Decorative. Maize yellow to Indian yellow at the center (according to the Maytrott color chart). A sensational new giant 12 to 14 inches in diameter by 7 to 8 inches in depth. This dahlia is a free and an early bloomer, most brilliantly colored, on the best of stems. Keeps well on the bush as well as when cut, and is improved if anything when the weather is on the warm side. At the San Francisco Show in 1950 it won both the American Home Achievement Medal and the Sunset Magazine Medal, grown and exhibited by Mr. D. C. Schroeder, head gardener at Stanford University. Although a good root maker, it was withheld from the market because of insufficient stock. It is included in the Eastern Honor Roll of Flower Grower for 1951. While we have a number of promising developments undergoing our severe test, this is our only introduction for this year. Strong Divisions.....**\$15.00 Net**

OUR 1951 INTRODUCTIONS

(Illustrated on page 4)

MARK TWAIN—Informal Decorative. Bright red boldly tipped white. This appears definitely to be the best bi-color of them all. We have received many flattering reports on its performance the past season. The combination of color is fascinating and there is no variation in the blooms, about one-third of each petal at the tip being of purest white. Formation is artistic and unusual for this class with petals slightly curled and full to the center. Average size 10 to 11 inches with proportionate depth. Blooms early and freely on good stems. Medium height. On 1950 Flower Grower Roll of Honor. Strong Divisions.....**\$10.00**

ROYAL PACIFIC—Formal Decorative. Violet purple of the blue tone. A true formal that is outstanding because of its rare and distinctive coloring. The large bloom is made up of many regularly placed well-cupped petals, leaving no question as to its classification. Stems are long and strong, holding the flowers up perfectly above the dark ornamental foliage. Continues in excellent condition under all weather conditions until the very end of the season. Strong Divisions.....**\$7.50**

DAHLIA SEEDS—Hand pollenized dahlia seeds from the largest and best varieties. Seeds are extra nice this year. Mixed seed only.
\$10.00 per 100 Net

BARGAIN ROOT COLLECTIONS of extra value, our selection, all different and properly tagged. May delivery. We have no surplus stock, so orders should be sent early.....**\$10.00 per dozen Net**

MARK TWAIN

ROYAL PACIFIC

OTHER DAHLIAS OF OUR OWN INTRODUCTION

ALCAZAR—S.C. Deep fuchsia red or bright reddish purple. It belongs in the purple class according to the color chart, and the formation of the flower is frequently very close to the true cactus type. A nice large dahlia outstanding as to beauty and distinctiveness that blooms early and freely on the best of stems.....\$2.50

AZURA—I.D. Rosy lilac with a bluish-violet sheet. A large deep flower which has won several times as largest flower in the show with blooms measuring 12 to 14 inches. Plant is tall and strong and the blooms have a distinctive and interesting formation.....\$1.50

BALLAY ROUGE—I.C. Bright clear red. Fine petalled true type cactus in a very popular color. Size is large for a cactus, excellent form, perfect stems, a free and early bloomer. It has been outstanding in many parts of the country.....\$2.00

BEAU BRILLIANT—I.D. Bright carmine. A truly brilliant color that is impressive both in the garden and show room. It is a large full flower, a profuse bloomer, and the plant growth is all that can be desired. Seems to thrive under all weather conditions.....\$2.00

BOSPHORUS—I.D. Burnt orange. Large, well-shaped flower of rare coloring. Reliable and satisfactory in all respects.....\$1.00

BUTTERFLY—I.D. Henna-orange with reverse and center rosy mauve. The odd combination of color is new and has been the subject of much favorable comment. It is a large, well-formed flower with pointed petals, reliable and attractive. Prolific bloomer.....\$2.50

CALIFORNIA CENTENNIAL—I.D. Buff yellow with the color somewhat accentuated at the center. An oval shaped bloom of large size which is a seedling of California Pageant. This is a distinctive variety in its color with strong plant growth. Not yet widely grown but it is a dahlia with a future. Achievement Medal winner and Honor Roll Dahlia in 1949.....\$3.50

GOVERNOR WARREN

CALIFORNIA CENTENNIAL

CALIFORNIA IDOL—I.D. Lemon yellow. Famous the world over. A very large flower with ideal habits that is seldom surpassed either for garden performance or for exhibition. One of the truly great dahlias.....**\$1.00**

CALIFORNIA PAGEANT—I.D. Bright gold with shadings of reddish bronze. Very large flower of very gay coloring. Strong, straight stems hold the well-formed blooms facing perfectly. Highest scoring dahlia at Storrs in 1946. Three blooms on one plant at the same time measured 13 x 8 inches.....**\$2.50**

CALIFORNIA ROSE—I.D. Clear bright rose. Exquisite coloring, large, tall growing. Has been described as a good keeper when cut.....**\$1.00**

CATALINA—S.C. Bright rose red of the American Beauty shade. Fairly large flower most brilliantly colored that blooms early and most freely over a long period. Well branched plant of medium height.....**\$2.50**

CONFUCIUS—S.C. Chinese red (bright coral red). This very striking dahlia is a real giant with many winnings to its credit. Few dahlias have achieved greater popularity and it doubtless ranks with the very best.....**\$1.50**

DOROTHY LAMOUR—Str. Cac. True orange. A dahlia of great charm because of its rare color and useful qualities. This is a distinctive variety that is much in demand.....**\$2.00**

DRESDEN—I.D. Clear pink lavender. An uncommon color and very pleasing. A grand old dahlia.....**\$1.00**

ESPLENDIDO—I.C. Reddish coral pink. True type cactus of a most attractive and unusual color. Very tall, strong growing and an abundant producer of fine blooms. One of the best cactus in commerce.....**\$2.00**

EVELYN CHANDLER—S.C. Golden apricot. A spectacular flower of fine coloring and great size. It has been a consistent winner in numerous shows, sometimes as largest bloom.....**\$1.00**

NINA WARREN

FRIEDA GAYLORD

FAVORITA—I.C. Canary yellow. Best yellow cactus. The outer petals of this true type cactus fold well back to the stem. Bloom is of good size and stem is always good.....\$2.00

FIRST LADY—I.D. Yellow shaded orange. Large flower of fine form. Strong grower with attractive foliage and stems holding the blooms well above the plant. A very good variety.....\$2.00

FORTY-NINER—S.C. Bright yellow. A huge semi-cactus with all petals definitely incurved. Well-branched, free blooming plant with ornamental foliage. A truly beautiful variety ideal for all purposes. New 1949.....\$5.00

FRIEDA GAYLORD—I.D. Rosy pink slightly shaded with gold. A magnificent dahlia of remarkable size and vigor. Will produce very large blooms through the whole season, some as large as 15 inches in diameter. Has won a number of major prizes in the leading shows in different parts of the country the past year. That it is one of the truly great dahlias of all time is our candid opinion.....\$2.50

GALA CALIFORNIA—I.C. Scarlet orange. One of the best cactus. Attracts attention because of the bright unusual color. It will supply many fine blooms on good stems and seems to do well anywhere.....\$1.00

GAYLORD BALLAY—I.D. Pure white. A giant white that has created a great sensation. Superlative size, vigorous, tall growing. Large, pure white that is winning in strong competition.....\$2.50

GERTRUDE LAWRENCE—I.D. Light cerise red. Outstanding variety both as to size and color. Early to bloom. Plant of medium height.....\$1.50

GOVERNOR WARREN—I.D. Golden salmon shading deeper at the center. A full, deep, broad petalled bloom well placed on a long rugged stem. This new giant in the autumn color class possesses real beauty as well as great size. A 1948 introduction.....\$3.50

CALIFORNIA PAGEANT

FORTY-NINER

GRANDEE—I.D. Light red shaded orange yellow. Noticeable because of its great size. Plant growth rather sparse.....\$1.50

HIGHLANDER—I.D. Scarlet-pink with a lighter reverse to the petals. A bright new shade of pink sometimes called "watermelon." Artistically formed bloom on long, strong stems. A continuous performer. New 1948.....\$3.50

JOSEPH B. LANKTREE—I.D. Bright red without shadings. A champion prize winner in California. Massive blooms 12 to 14 inches. Continues until the end of the season. Outstanding in its class.....\$2.50

KING OF THE WHITES—I.D. Clear glistening white. This striking new white is exactly what the name implies. Very large and full with fine stems and a sturdy plant. Is not soiled by heat or moisture. We have received excellent reports from many places the past season. New 1949.....\$5.00

LELAND STANFORD—I.D. Brilliant cardinal. One of the best reds. Does not fade and will withstand difficult conditions. Large size, robust grower.....\$1.00

MAGNA CHARTA—I.D. Deep old rose. Charming flower of rare color. Will grow large on a long cane-like stem. Clean sturdy bush growth. Has not shown any faults or failings.....\$2.50

MAESTRO—S.C. Purple cerise. A richly-colored large flower of remarkable substance and most pleasing appearance. All good qualities and highly recommended.....\$1.50

MAYFAIR—I.D. True bright pink with a white center. Unusual form with laciniated petals and most artistic. Fairly large size with lots of color appeal. Good habits. New 1949.....\$3.50

MISS GLORY—S.C. Apricot-yellow. A refined flower of large size and excellent form. Well known and popular. One of the best in its class.....\$1.00

BUTTERFLY

HIGHLANDER

MONTEZUMA—S.C. Reddish copper or terra cotta. A giant semi-cactus on the type of Confucius. The big, bold flower has depth as well as diameter and the color is attractive and unusual.....\$2.00

NIGHTINGALE—F.D. Deep magenta rose shading somewhat lighter at the tips of the petals. The color is generally referred to as fuchsia. A truly spectacular flower and strictly of the formal type. Better proportioned stems and more rugged-plant growth would be hard to find. Large size.....\$2.50

NINA WARREN—S.C. Bright rosy purple. At last a nice new purple semi-cactus of large size. The rather tall plant is a mass of blooms all season. Will thrive in warm weather and is not improved by shading or covering. Named for the wife of the Governor of California who called it her favorite color. New 1950.....\$5.00

PACIFIC SPLENDOR—I.D. Delicate pink shading to white center. Artistic bloom of large size. A delightful color when properly grown. Habits of growth are good.....\$1.00

PALO ALTO—I.D. Salmon shading to gold. One of the best of the older varieties. A dahlia of fine color that is easy to grow. Rather tall plant producing many good flowers on long stems.....\$1.00

REGALIA—I.C. Bright cerise. An unusual cactus with perfect stems. This has proven to be a valuable addition to its class on account of its fine qualities. A striking color and a lavish bloomer throughout the season.....\$2.00

SAN FRANCISCO—I.D. Shrimp pink. A giant of great beauty. Rugged grower with extra long stems.....\$1.00

SATAN—S.C. Flaming red, gold center. A great dahlia that is known wherever dahlias are grown. Greatest prize winner of its day.....\$1.00

ALCAZAR

NIGHTINGALE

SAVINA—I.C. Bright salmon shading to golden yellow. A husky growing plant producing nice large cactus blooms on good stems. Color is very pleasing and strikes the popular fancy. Well worthwhile if you are fond of cactus type. New.....\$2.50

SIR FRANCIS DRAKE—I.D. Golden bronze shading deeper at the center. Very large flower with exceptional depth. One of the very best in the autumn shades which are always popular. We have had many fine reports on the performance of this dahlia.....\$2.00

YANKEE DOODLE—I.D. Fuchsia purple with crimson shadings. Giant size, rare coloring, good habits. An ideal exhibition dahlia. Not particularly recommended for climates where the summers are extremely hot and dry.....\$2.50

GOOD VARIETIES OF OTHER GROWERS

(Name in parenthesis is that of the introducer. In the case of foreign dahlias the name of the country is given.)

ADOLPH MAYER—I.D. (Holland.) Maroon. Very dark medium sized flower. Strong free branching plant and a prolific bloomer.....\$1.50

A. C. GOODACRE—F.D. (Dixie.) Bright yellow tipped white. A real bi-color. Vigorous and productive.....\$2.00

AGLOW—I.D. (Dahliadel.) Soft apricot suffused light red on center of each petal. Free blooming variety on nice long stems. Good grower.....\$2.00

AMOS KIRBY—I.D. (Johnson.) Rich reddish purple. Very large free blooming variety on stiff slender stems. Strong plant with good foliage.....\$2.50

SAVINA

CATALINA

ATOMIC YELLOW—S.C. (Ruschmohr.) Canary yellow. Largest yellow semi-cactus. Truly massive blooms on strong stems. Good grower. No dahlia fan passes this one by.....**\$5.00**

ALL AMERICAN—S.C. (Salem.) Mulberry rose. A true semi-cactus of good form, unusual color and large size. Very desirable for all purposes.....**\$1.50**

AMELIA EARHART—S.C. (Cordes.) Apricot buff with salmon shadings. One of the best of the older varieties because of the richly colored blooms of large size held facing on a good stem.....**\$1.00**

AXFORD TRIUMPH—I.D. (Australia.) Bronze and tan. A new variety of large size that is a robust grower with excellent habits.....**\$2.00**

BETTE DAVIS—S.C. (Cordes.) Lavender rose. Medium sized flower that is very pleasing and useful. Prolific bloomer.....**\$2.00**

BETTY STAKER—I.D. (Australia.) Dull gold with rose shadings. A massive flower and a beautiful color. Very impressive in the garden.....**\$2.00**

BILL'S GOLD—I.D. (Australia.) Bright old gold. One of the best of its color and an all-around fine dahlia. Very large, good grower, good stems.....**\$2.00**

BLACK MONARCH—I.D. (Rocky River.) Very dark red. Strong grower and free bloomer. Large and interesting because of its color. Improved by shading.....**\$2.00**

BLUE GALILEE—S.C. (Rees.) Violet rose with the violet shade quite pronounced. True semi-cactus of good size. The rather low growing plant produces many blooms throughout the season on good stems.....**\$2.50**

BLUE RIVER—I.D. (Salem.) Bluish-lavender. As near to blue as we have in dahlias. Always attracts attention. Good size.....**\$1.00**

JOSEPH B. LANKTREE

FIRST LADY

CARDINAL—I.D. (Ruschmohr.) Bright red. Well shaped large bloom inclined at times to semi-cactus form. Grows tall and strong on good stems.....**\$2.50**

CARL G. DAHL—I.D. (Scott.) Old rose and gold. A consistent winner as largest bloom. Petals are broad and well placed and have good substance.....**\$2.00**

CLARA CARDER—I.D. (Australia.) Cyclamen pink. A new and pleasing color, fine form. Has capacity for great size. Prefers cool weather.....**\$1.00**

CHAS. L. MASTICK—F.D. (Mastick.) Glistening orange shading darker toward the center. A perfect formal decorative especially good for cutting. One of the best in its class.....**\$1.00**

CONQUEROR—S.C. (Holland.) Clear sulphur yellow. Well-formed clean-cut flower of fairly large size and good stems. A useful and beautiful variety....**\$2.50**

COL. LITTLE—I.D. (Ambrose.) Scarlet-orange. Very brilliant coloring. Large flower, blooms freely, stem good.....**\$3.50**

CORNELL—I.D. (Parrella.) Deep red tipped white. A fair-sized bi-color with good markings. Good grower but not a free bloomer.....**\$2.00**

COMMANDO—F.D. (Golden Rule.) Phlox purple. Vividly colored bloom, large and attractive. A formal in a new color.....**\$2.00**

CROYDEN ELITE—I.D. (Australia.) Bright yellow with a slight reddish suffusion especially at center of the flower. A fine, large dahlia of exquisite form. Strong growing plant that produces many blooms on first-class stems.....**\$2.50**

DAHLIAMUM—I.D. (Chemar.) Bronze gold. Very large flower, carried on top of a strong stem, that looks like a shaggy chrysanthemum.....**\$2.00**

DARCY SAINSBURY—F.D. (Australia.) White. Large, full flower that is considered by many the best white formal to date. A white that will stand the weather. Good grower.....**\$1.00**

- DIXIE'S WINE DOT**—I.D. (Dixie.) White ground striped and splashed wine red. Something new and good. A most unusual variegated dahlia of very large size and sturdy growth.....**\$2.50**
- EDNA D.**—S.C. (Rocky River.) Deep rose red. Large, well-formed bloom on long stems. Fine for exhibition. New.....**\$3.50**
- EVENTIDE**—I.D. (Bissell.) True purple. Fairly large flowers of unusual form, each petal being notched and slightly twirled. Nice plant with dark foliage.....**\$2.00**
- EL RUBIO**—I.D. (Redfern.) Wine red. Very large bold flower. Plant growth extremely rugged. A late bloomer and one of the most attractive in the garden in the late fall.....**\$1.50**
- ESSIE SMITH**—I.D. (Smith.) Lavender pink. Large deep flower. Strong grower with good habits.....**\$2.50**
- FIVE-STAR GENERAL**—F.D. (Ruschmohr.) Blend of soft pink and creamy yellow. An exceptional dahlia of real merit. Large, well formed and a good grower. A 1946 introduction that impressed all visitors.....**\$2.50**
- FLASH**—S.C. (Salem.) Scarlet tipped white. A striking bi-color of medium size. A good seller and scarce.....**\$2.00**
- FREDA GEORGE**—I.D. (Australia.) Creamy pink with shadings of rose. Delicately colored flower with excellent qualities. Nice size.....**\$2.50**
- GALAXY**—I.C. (England.) Yellow striped and splashed with red. A very interesting and satisfactory cactus. Flowers are full and well formed. Plant is tall and sturdy.....**\$2.00**
- GAY KNIGHT**—I.D. (Australia.) Bright red suffused gold. This brightly colored bloom is extra large and held straight up on a perfect stem. One of the largest and best from Australia.....**\$2.50**
- GLAMOUR**—I.D. (Salem.) Light purple with shadings of rose. Grows large without pampering and is a consistent winner in the shows. Color, form and habits are all good.....**\$2.00**
- GOLDEN STANDARD**—I.C. (Downs.) Amber buff. Large exhibition cactus. Good grower and excellent keeper.....**\$1.00**
- GOLDEN TREASURE**—F.D. (Rocky River.) Golden amber. True formal of fine coloring and general habits. Medium size.....**\$2.50**
- GOULBURN**—I.C. (Australia.) Yellow shading to apricot. A true cactus of large size. Outstanding in its class with great possibilities in the showroom.....**\$2.50**
- GREATER GLORY**—S.C. (Salem.) Rose pink shading to cream. Large well-formed flower on a tall plant. A valuable addition to the semi-cactus class.....**\$1.00**
- GUNYAH GLORY**—S.C. (Australia.) Royal purple. We have nothing else exactly like it in color. Big, tall-growing semi-cactus that is much admired by visitors. Outstanding.....**\$5.00**
- HULIN'S MELODY**—S.C. (Hulin.) Pale gold with mauve shadings. Fine bloom of good size in an odd color combination. Grows strong and blooms abundantly. Very desirable.....**\$2.00**

- HUNT'S VELVET WONDER**—I.D. (Hunt-Burnett.) Cerise purple. This is a huge flower with broad petals and great depth. Plant is rugged and of medium height with rather short stems.....\$1.00
- INDIAN GIANT**—I.D. (Emmons.) Reddish apricot. Very large exhibition variety. Plants are low and bushy and continue to produce fine blooms over a long period. Color is different and much admired.....\$2.50
- IVORY PRINCESS**—S.C. (Ruschmohr.) Ivory white. Large, well-formed flower of an unusual shade. Strong grower with good stems.....\$2.00
- JANE LAUSCHE**—S.C. (Rocky River.) Lavender tipped white. Decidedly a new combination of color and an all-around good dahlia. It was a big prize winner in its introductory year. A novelty of real merit.....\$2.50
- KEMP'S GOLDEN JUPITER**—I.C. Golden yellow shading to orange on outer petals. Tall, strong grower producing many fine blooms throughout the season. New and good.....\$4.00
- KEMP'S PURPLE TRIUMPH**—I.D. Deep purple. Good sized flower on plant of medium height. Good producer both as to blooms and roots.....\$2.50
- KELVIN**—I.D. (Australia.) Rosy pink with a suggestion of yellow. Exceptionally fine variety of great size and all good qualities. We had trouble in getting vigorous stock of this great favorite. Stock is limited so our price is high.....\$5.00
- KING SIZE**—I.C. (Johnson.) Bright red. Produces many fine blooms throughout the season on long stems. Large size for a cactus.....\$2.50
- KIRSTEN FLAGSTAD**—I.D. (Rocky River.) Bright gold with a reddish suffusion. First blooms are very large. Stems are long and strong. An early bloomer.....\$2.50
- LILAC GIANT**—S.C. (Salem.) Pinkish lilac. A dahlia of tremendous size. Low growing plant but stems are sufficiently long. Best semi-cactus in this shade.....\$3.50
- LOUISE**—S.C. (Australia.) Creamy white. Very satisfactory dahlia that resembles Mother's Day to some extent but has a better stem. Large flower on an excellent growing plant.....\$2.50
- LYNNE FONTANNE**—S.C. (Parrella.) Light red. Very large and full. Improves as the season advances. Winner of many prizes as largest bloom.....\$2.00
- MAFFIE**—S.C. (Johnson.) Carmine red. Truly spectacular. First blooms are extremely large and have frequently won as largest in the show. Tall, open grower.....\$2.00
- MARION SMITH**—I.D. (Australia.) Clear pink. The large graceful blooms fairly cover the sturdy plant of medium height. A charming color and a first-class dahlia in every way.....\$2.50
- MARGRACE**—I.D. (Bissell.) Bright red lightly tipped gold. The large long-stemmed blooms are freely produced through the whole season.....\$1.00
- MARY RETZER**—I.D. (Retzer.) Clear lavender. A clean crisp flower of fairly large size. Fine growing habits. Good.....\$1.00
- MONARCH OF THE EAST**—I.D. (Almy.) Bright golden apricot. Giant flowers borne profusely on a rampant growing bush. Colorful.....\$1.00

MOTHER'S DAY —I.D. (Australia.) Creamy white. Beautifully shaped blooms of great size. Stem stalks are very tall and sometimes need support.....	\$2.00
MRS. E. J. —St. C. (Rocky River.) Bright pink. Small flower of excellent form and color. Good substance and most free in blooming.....	\$2.50
MRS. HESTER PAPE —I.D. (Rocky River.) Reddish purple. Popular introduction of rich coloring. Large, sturdy, attractive. A big winner in the shows.....	\$3.50
MRS. THOMAS EDISON —I.D. (Chautauqua.) Ruby red, with silver reverse. Outstanding color effect. Flower can be grown to good size and is always a bright spot in the garden.....	\$2.00
MURPHY'S MASTERPIECE —I.D. (Success.) Deep red. This dahlia is naturally large and can be grown to great proportions. Has been a contender in the largest class for many years. Strong grower with good stems.....	\$1.50
NANCY C. SCHARHAG —I.D. (Sunset.) Mallow pink striped and splashed wine purple. A sport of Dixie's Wine Dot which it very much resembles in everything but color. Very reliable.....	\$2.50
NIRWANA —I.C. (Holland.) Yellow and salmon. Beautiful new cactus. Flowers profusely and has strong straight stems.....	\$2.50
OAKLEIGH CHAMPION —C. (Oakleigh.) Orange and pink with yellow shadings at base of petals. Large cactus of excellent form on strong long stems. A real pleasure to grow. Outstanding. New.....	\$2.50
OGDEN REID —I.D. (Parrella.) Old rose with slight golden suffusion. Large exhibition bloom on long slender stem. Blooms profusely.....	\$2.00
PACIFIC ROSE —I.D. (Thompson.) Deep rose pink. Fine large variety that is popular in California and a winner at the shows. Medium height with all good growing habits. Recommended.....	\$2.50
PEARL HARBOR —I.D. (Dixie.) Lavender striped and splashed deep red. A very pretty variegated dahlia of good size. Habits satisfactory.....	\$2.00
PHYLLIS KNIGHT —I.D. (Australia.) Salmon rose. Very large size. Fine color and all good qualities except that an occasional bloom may come with a coarse center. Popular.....	\$2.50
PINK AMELIA —S.C. (Edison.) Rose pink. A remarkable sport of Amelia Earhart with all the good points of the parent variety. Good texture and erect stem.....	\$1.50
PINK GIANT —I.D. (Holland.) True pink. This is hardly a giant according to the American idea but it is large enough for all general purposes. The color is impressive and it has achieved popularity in this country.....	\$1.00
POET'S DREAM —I.D. (Salem.) Shell pink or possibly soft apple blossom pink. Extraordinary as to color and size and of most beautiful formation. This would be one of the finest dahlias if it had a better stem.....	\$2.00
PREMIER'S WINSOME —I.D. (Premier.) Soft pink with rose shadings. Good form and substance and good grower. Unusual color.....	\$2.00
REAL GLORY —F.D. (Stephenson.) Pure white. A clear glistening white of fine form and extra good substance. Good grower and free bloomer. Unsurpassed in its class.....	\$2.00

- RITA WELLS**—I.D. (Ruschmohr.) Pale rose and buff. Very large early flowering variety. Excellent growing qualities.....\$1.00
- ROSE OF SHARON**—I.C. (Rees.) Blend of pink and yellow. Perfectly formed blooms on fine stems. New and scarce.....\$4.00
- RUBY LOXTON**—I.D. (Australia.) Bright rose. Large well-colored flower. Blooms early and freely on a strong vigorous plant.....\$2.00
- SALEM SUNSHINE**—I.D. (Salem.) Bright yellow. Another very large yellow. Bush is low but stems are long and wiry and hold the magnificent bloom upright. Is not temperamental as to weather.....\$2.50
- SHERWOOD'S PEACH**—I.D. (Ruschmohr.) Apricot buff. Very large size, beautiful color, vigorous grower.....\$2.00
- SILVER GLAMOUR**—I.D. (Golden Rule.) Rosy purple with petals suffused and edged with white. Quite similar to the original Glamour in everything but color. Spectacular.....\$3.50
- SOUTHERN ROSE**—I.D. (Dozier.) Bright rose pink. Large and attractive both for garden or exhibition. Strong grower and good bloomer.....\$2.50
- ST. THERESA**—I.C. (Holland.) Pale pink with white center. Dainty flower of true pastel coloring. Stem strong and straight.....\$2.50
- STEPHEN FOSTER**—I.C. (Salem.) Golden buff suffused orange. Tall, strong plant producing many well-formed flowers of large size. A valuable addition to the cactus class.....\$2.00
- SUNBURST**—F.D. (Smith.) Golden yellow. Giant blooms freely produced on a strong vigorous plant. A first-class new yellow.....\$2.50
- SKYROCKET**—S.C. (Ruschmohr.) Clear vermillion red. Very brilliantly colored bloom of excellent formation. Very long stems hold the flower in good position.....\$2.50
- TOPFLIGHT**—S.C. (Dozier.) Bright crimson. Fine large red that does not fade. Perfect formation. Long straight stem. Tall grower.....\$2.50
- TOPS**—I.D. (Dozier.) Bright yellow. A true giant in the most pleasing shade of yellow. Has good depth and is well formed. Never fails to attract attention.....\$2.00
- TOWN TOPIC**—F.D. (Hulin.) Bright purple sometimes tipped white. Full, well-built flower on a long strong stem. A nice variety.....\$1.50
- TROJAN**—I.D. (Salem.) Deep red with yellow reverse. Color will vary from deep red to almost orange in flowers on the same bush. All are large and well supported by good stems.....\$2.00
- WAKE ISLAND**—S.C. (Hulin.) Deep bright red. A nice large flower of most attractive coloring. Blooms freely on a strong, shapely plant.....\$2.00
- WORLD EVENT**—I.D. (Dixie.) Deep rose pink. Large flower of pleasing formation held on a good straight stem. We like this dahlia very much as it grows in our garden.....\$2.00
- YOTO**—I.D. (Japan.) Amber yellow with shadings of pink. Very large flower with petals twisted and curled. Rugged grower with all good habits.....\$1.50

We are a **"PINTO TAG NURSERY,"** Having complied with rigid plant inspection requirements we are authorized by the California Department of Agriculture to make shipments to other counties without destination inspection.

CARE OF DAHLIAS

(in California)

Plant dahlia roots in May. Have the soil dug deep and well worked beforehand. Place a stake at each place, dig a hole deep enough so that the root can be covered 4 or 5 inches, and leave a wide basin 2 or 3 inches deep for watering. Lay roots flat, never on end. Plant 2½ to 3 feet apart. Water well as soon as planted and about once a week until plants are well above ground. Irrigate thoroughly about twice a week when plants are growing strong and blooming. If plants are topped when about a foot high it will cause them to branch and make a sturdier growth. Larger blooms and better stems may be had by disbudding. Leave large center bud and take off small side buds and sprouts above leaves for 2 or 3 joints. Use fertilizer sparingly. The time to fertilize is when plants are topped. Spray with a nicotine or other garden spray to prevent leaf pests the same as for other garden plants. Use ant poisons to keep ants from the patch. Dust with sulphur to control mildew. For a long season of bloom keep old flowers with foliage cut off and be sure to keep well watered at all times. Dahlias like an open, sunny location away from the roots of trees and shrubs. Do not dig clumps until about the first of the year, leave soil on them, and store in a dry, frost-proof shed. Cut off dry stalks, stack together and cover with old bags or something of the kind. Wash and divide carefully at planting time.

KODACHROME SLIDES

The Perfect Program for Your Club

Many of our dahlias are included in the beautiful sets of Kodachrome Slides which are available for rent from Philip G. Corliss, Somerton, Arizona. Write him for details.
